Highlights

Gently stimulates fast milk flow
As you pump the patented Philips Avent Let-down Massage Cushion flexes in and out, gently massaging the area around the nipple to help stimulate natural milk flow.

Patented Let-down Massage Cushion

Five, soft petal massagers of the Philips Avent breast pump gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.

Leak-proof twist-on system

For safe storage and transport

Adaptor to express and feed

Use the adaptor to express and feed with the same cup.
