1. Orders

1.1 Philips may charge a shipping fee for Medical Consumables and Sensors and Hospital Respiratory Care Supplies (HRC).

2. Payment Terms

2.1 Unless otherwise specified in the Quotation, 100% of the purchase price is due 30 days from Philips' invoice date.

3. Return Policy

3.1 Philips must authorize all returns. Customer shall pay all shipping charges for returns. Returns after 60 days of shipment shall be subject to a 15% restocking charge. Philips does not accept returns of opened, expired, or damaged consumable Products.

3.2 Philips must authorize all Hospital Respiratory Care (HRC) and Sleep Therapy product returns prior to shipment. Non-defective products are eligible for return only if returned within 30 days of delivery, unopened, and in their original, unmodified packaging. Customers are responsible for return shipping charges, and approved non-defective returns are subject to a 15% restocking fee. Philips HRC does not accept returns of products that are returned more than 30 days after delivery, have been opened, are expired, or are damaged upon return.

4. HP Pro Mini Desktop PC

4.1 The HP Pro is a third-party accessory product, including for purposes of the warranty, for which Philips is the reseller. Any third-party warranty or service solutions shall be passed on to Customer for this product. Customer will contact the manufacturer for warranty information. Philips does not provide any maintenance or repair services, anti-virus software, or security software for the HP Pro. Customer is responsible for network security, including but not limited to, using secure administrative passwords, installing the latest validated security updates of operating software and web browsers, running a Customer firewall as well as maintaining up-to-date drivers, and validated anti-virus and anti-spyware software for the HP Pro.
