# Feel safe, drive safe

## up to 60% more light compared to a standard halogen

Philips VisionPlus headlight bulbs produce 60% more light, which allows drivers to see farther for greater safety and comfort. Offering high performance and excellent value, VisionPlus is the right choice for today's demanding drivers

**Original Equipment manufacturer**
- Change both your headlamps at once for more safety

**Very high quality upgrade headlight**
- Greater driving comfort and safety
- Philips is the choice of major car manufacturers

**Superior quality with enhanced visibility**
- VisionPlus projects a 80+ ft longer beam than standard bulbs

# Highlights

**60% More light on the road**
Philips Vision Plus will allow your car to project 80+ ft more light than a standard halogen bulb. Our lighting solutions produce a powerful and precise beam of light with maximum output . Philips VisionPlus is the performance choice for safety conscious drivers.

**High quality and visibility**

VisionPlus provides you with a better reactivity thanks to an earlier recognition of obstacles and traffic signs. Brake lighting is also visible earlier, thanks to a more powerful light output. Drivers can reduce their braking distance by up to 3 meters at 100 km/h. Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps prevent accidents.

**Replace in pairs**
It is highly recommended to replace your headlight bulbs in pairs for symmetric light performance.

**Car manufacturer choice**

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

# Specifications

**Packaging Data**
EAN1: 8727900399387
EAN3: 8727900399370
Packaging type: S2

**Product description**
Technology: Halogen
Application: High beam, Low beam, fog beam
Range: VisionPlus
Type: H7
Homologation ECE
Designation: H7-12972VP-KI
Base: PX26d
Marking ECE: E1 22Z

**Electrical characteristics**
Wattage: 60/55 W
Voltage: 12 V

**Marketing specifications**
Expected benefits: More light
Product highlight: 60% More light

**Light characteristics**
Lumens: 1500 ±10% lm

**Ordering information**
Order entry: 12972VPS2
Ordering code: 39938728

**Lifetime**
Life time: B3/Tc = 200/400 h

**Outerpack information**
Gross weight per piece: 509 g
Height: 12 cm
Length: 28.6 cm
Net weight per piece: 118 g
Width: 14.1 cm

**Packed product information**
Gross weight per piece: 2 g
Height: 13.3 cm
Length: 11 cm
Net weight per piece: 59.9 g
Width: 5.3 cm
Pack Quantity / MOQ: 2
