Highlights

ProExtrude technology

This unique technology combines powerful motor, robust metal mixing paddle and strong metal front panel for a smooth finish, whatever pasta shape you pick.

Perfect mixing

The optimised design for the mixing chamber and the powerful metal blending bar ensure a precisely prepared, even dough base every time.

Auto-weighing technology

The integrated scale calculates the amount of liquid to be added to the flour type of your choice, to ensure perfect results every time!

Fully automated

The Philips Pasta Maker 7000 is fully automated. You just pour the ingredients in, relax and let the fully automated process do the rest!

Large capacity

Prepare up to 8 portions** of delicious homemade pasta in one go to enjoy with family and friends.

Pasta in under 10 minutes**

Enjoy fresh homemade pasta effortlessly in under 10 minutes.*

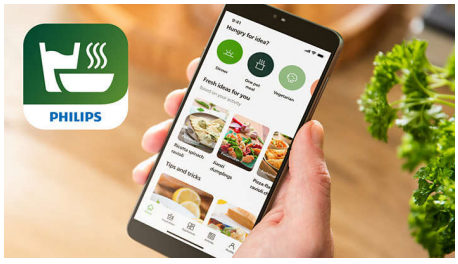
Easy to clean, durable design

Stylish and durable design that complements any kitchen while ensuring a long-lasting pasta-making experience. The non-stick and dishwasher-safe parts makes the clean-up of your Pasta Maker none of the hassle.

Up to 10 pasta shapes***

Choose from a variety of pasta shapes to prepare your ideal dish. You can store all discs in the smart storage space in the device, so you never lose them! A measuring cup and special cleaning tools for easy cleaning are also included in the pack. Shaping discs available in the package***: lasagne, penne, fettuccine, spaghetti, angel hair, thick spaghetti, tagliatelle, pappardelle, shells, paccheri.

Step-by-step recipe guidance



Download the NutriU App and get step-by-step guidance on a wide variety of tasty regular, vegan or gluten-free recipes created by our culinary experts. You can easily download our NutriU App from the Google Play Store or Apple Store.

Specifications

Country of origin
- Made in: China

Design specifications
- Colour(s): black
- Materials of outer housing: plastic and metal
- Materials of inner housing: metal and plastic
- Made in: China

Accessories
- Measuring cup
- Cleaning tool
- Shaping discs
- User manual

Technical specifications
- Voltage: 220-240 V
- Cord length: 0.8 m
- Power: 200 W
- Frequency: 50–60 Hz
- Capacity: 800 g

Packaging Data
- 12NC: 883266593010
- EAN product code: 8720389014826

Weight and dimensions
- Net product weight: 6.93 kg
- Product dimensions (H x W x D): 32.2 x 22.9 x 32.7 cm
- Product weight with F-box and accessories: 9.73 kg
- F-box dimensions (H x W x D): 33.5 x 37.0 x 41.0 cm

General specifications
- Product features: NutriU App, LED display, Storage compartment, Easy to clean: dishwasher safe, Easy to use, Modern and minimalistic style
- Integrated scale
- Number of shaping discs: 8

Finishing
- Material accessories: Plastic
- Material of main body: plastic and metal
- Material bar: metal

Sustainability
- User manual: 100% recycled paper

Issue date 2023-12-10
