- Auto shut-off after 30 min. for energy saving and safety
- Dishwasher-safe parts for easy cleaning

PHILIPS

Coffee maker
With glass jug Black & metal

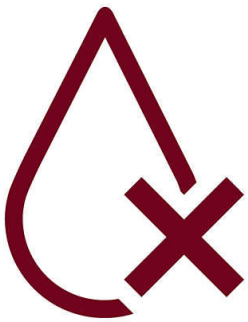
HD7462/20

Highlights

Automatic shut-off (30 min)

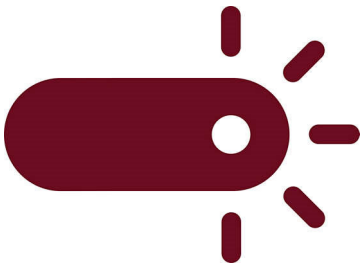
30 Minutes after brewing your coffee, the coffeemaker switches off automatically for energy saving and safety. This is according to EU regulation, which is applicable for all coffee makers in the EU.

Drip stop



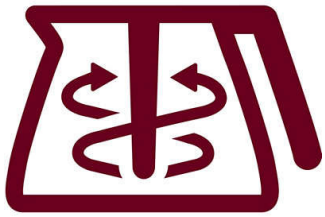
The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

LED power switch



The red light on the switch button illuminates when the coffee maker is switched on.

Aroma twister

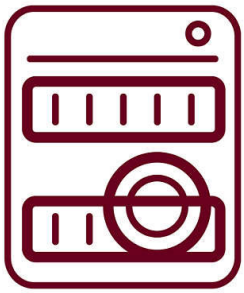


This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.

1.2 Liter capacity

This coffee maker can brew 2 up to 10 (large) / 15 (small) cups of coffee. This is maximum 1,2 liter. However, this coffee maker has a compact design and takes little place in your kitchen.

Dishwasher-safe parts



The jug and filter holder can be easily cleaned in the dishwasher.

Smart water level indication

Fill the water tank easily and precisely with the water level indication.
