- Glides over skin for a smooth and even shave

AquaTouch
- Glides over skin for a comfortable, even shave
- Skin Protection System allows smooth gliding to protect skin
- Aquatec for a refreshing wet or convenient dry shave

Highlights

ComfortCut Blades

Get a clean, comfortable shave with this Philips shaver. This electric shaver's 27 ComfortCut blades cut each hair right above skin level to give you a smooth and even finish.

3D Floating Heads

Get a convenient, clean shave with the 3-directional floating heads. They move to adjust to the curves of your face, creating smooth contact with your skin without a lot of pressure.

Aquatec Wet or Dry

Get a convenient dry shave or a more comfortable wet shave with gel or foam, even in the shower.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

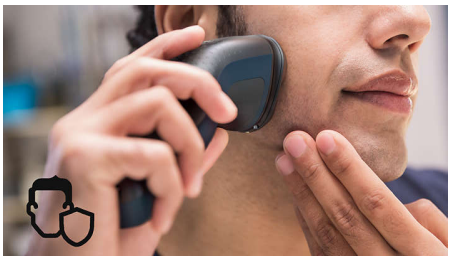
1-level battery indicator

Use the intuitive indicator to see when the shaver battery is running low, empty, or fully charged.

40 minutes of cordless shaving

Shave cordlessly for up to 40 minutes after an 8-hour charge. The shaver only operates when not charging.

Skin Protection System



Designed to prevent nicks and cuts for a clean and protective shave. The Skin Protection System glides smoothly across your skin with its rounded head profile, while keeping your skin protected.

27 self-sharpening blades

The 27 self-sharpening blades on this electric shaver have been precision-engineered for a consistently clean shave.

Ergonomic design

Handle your Philips shaver with confidence thanks to an ergonomic design created for optimum grip.
