Effective and quick pill removal

- Up to 8800 rounds/min blade rotation for effective removal

PHILIPS

Fabric Shaver
Removes fabric pills Suitable for all garments, 2 Philips AA batteries incl.

GC026/80

Highlights

Large blade surface

Large blade surface ensures that larger area of the garment is covered at the same time, hence less strokes are needed to make your garment look new again

8800 rounds/min blade rotation

Blades rotate up to 8800 rounds/min for effective and quick removal of the fabric pills from your garments

Large removable pill container

The container, where the shaved off pills are stored, is easy to remove and empty.

Special design shavinghead

Due to the mesh with 3 different sizes of holes, all sizes of fabric pills will be drawn into it and effectively removed from the fabric.

Height adjustment cap

The height adjustment cap enables you to remove fabric pills even from the most delicate garments

Cleaning brush

The cleaning brush helps to easily clean your appliance after use. Please follow the quick start guide included in the packaging to clean the appliance.

2 AA batteries included

2 Philips AA bateries are included in the package.
