Which 12V lamp for which application? Philips Automotive offering includes all car specific functions : license plate lights, rear position/parking light, glove box lights, interior signaling, front parking lights.

ECE homlogation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Specifications

Packaging Data

EAN1: 8711500488732
EAN3: 8727900391572
Packaging type: CP

Product description

Technology: Conventional
Application: Stop light
Range: Standard
Type: PR21/5W
Homologation ECE
Designation: EST-12495-CI
Base: BAW15d
Marking ECE: E4 2MC

Electrical characteristics

Wattage: 21/5 W
Voltage: 12 V

Marketing specifications

Expected benefits: Long lasting
Product highlight: Original Equipment Quality

Ordering information

Order entry: 12495CP
Ordering code: 48873228
