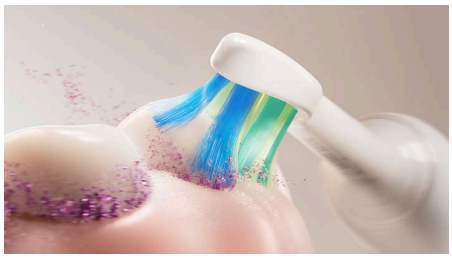
Highlights

Say goodbye to plaque

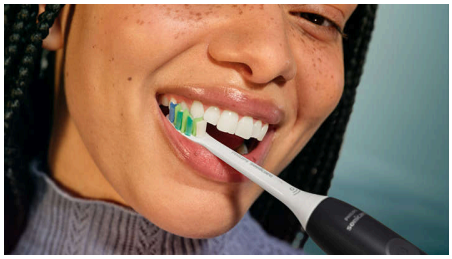


This electric toothbrush comes with our Intercare brush head. The extra-long bristles help remove more plaque from between teeth and in hard-to-reach spots.

Sonicare Fluid Action

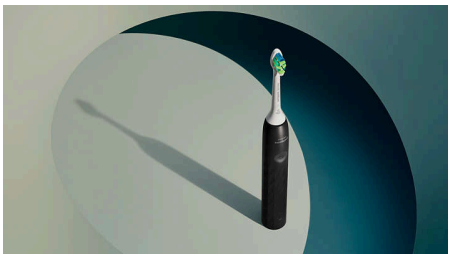
Philips Sonicare toothbrushes clean gently yet effectively and care for your teeth and gums with 31,000 bristle movements. Sonicare Fluid Action supports the bristles to clean by driving fluid deep between teeth and along the gumline.

Easy Start



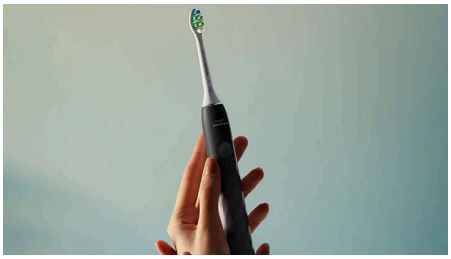
Sonicare easy-start program is designed for those who are new to brushing with an electric toothbrush. The program gives you the option of a gradual, gentle increase in brushing power across your first 14 cleans.

SmartTimer & QuadPacer



Ace your session time with Sonicare's cleaning timers. Every 30 seconds, the BrushPacer will prompt you to clean a new area. After 2 minutes, the SmartTimer will indicate your session is complete.

Battery life



Experience up to 14 days of regular brushing after one full charge. Bringing a new level of convenience to your brushing routine.
