PHILIPS
AVENT

Disposable breast pads
20 night pads

Highlights

Overnight protection

The Philips Avent breast pads have wider shape and thicker core for added absorbency. Double adhesive strips to secure the pad in place.

All-round leakage barrier

Designed for extra protection when lying down.

Ultra Dry

The Philips Avent breast pads have multi layers for super absorbency and a one-way topsheet that traps moisture inside the pad.

Developed with expert

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

Silky soft feel

Silky soft topsheet and breathable, natural materials. Dermatologically tested.

SCF253/20
