PHILIPS
AVENT

Conversion kit for breast pumps

SCF164/00

Specifications

Country of origin

- England

Development stages

- Stages: 0 - 6 months

Highlights

Works with Avent reusable storage and VIA

Converters allow you to express directly into Avent Bottles or VIA Cups. Insert a sealing disc or screw on lid to store breast milk in the fridge or freezer. Simply replace sealing disc or lid with an Avent Teat for feeding - no need to transfer milk.

Easily adapts breast pumps to fit Avent System

This Philips Avent conversion kit works with most manual and single or double electric breast pumps on the market.
