Highlights

Convenient

The PAP travel briefcase offers convenience, flexibility, discretion and professional style for patients who travel with their therapy equipment. Take your laptop, PAP device, magazines and other small necessities with you. The travel briefcase comes with several pockets and zippered compartments.

Perfect for travelling

Each side of the PAP travel briefcase is organized with compartments to protect your therapy equipment and facilitate an easy airport screening process (fits within the FAA maximum carry-on size). The lightweight case offers easy portability and is designed to easily attach to a roller suitcase.

Lightweight

The lightweight case offers easy portability and is designed to easily attach to a roller suitcase.
