PHILIPS

Specifications

Design

- One-click design: Easy to clean, easy to use
- Simplicity: 60% fewer parts

Performance

- Conforms to the contours of the face: Exceptional seal

Highlights

Interchangeable cushions

Amara gives you both gel and silicone cushion options for different comfort preferences.

Lightweight and simple design

Amara is lightweight and has 60% fewer parts than the leading full-face mask.

One-click design

The Amara full-face mask has significantly fewer parts than leading traditional full-face masks. It requires just a single click to disassemble and reassemble the cushion and the mask frame for quick cleaning and replacement.
