Highlights

Easy-to-use frame

Easy to use, choose one of the three frame sizes that fits you best. All of the frame sizes fit all of the cushion sizes.

Innovative frame design

The soft, flexible frame is comfortable to wear at night. Users have said that it feels like wearing nothing at all.*

Freedom of movement

By moving the tube location to the top of the head, DreamWear offers more freedom of movement during the night. Users said that they didn't need to choose a sleeping position when wearing DreamWear.*
