HH1023

Performance has a new style

Wisp's clever auto seal groove technology accommodates your every move, for a superior seal and a great night's sleep.

Magnetic clips

- The headgear clips and mask cushion contain magnets

Open field of vision

- Read, watch TV, or wear glasses

Compact design

- Wisp comfortably fits more than 98% of users*

Performance and comfort

- Provides for quick and easy fitting and adjustment.

Highlights

Compact design, natural fit

The 'tip-of-the-nose' cushion is designed to sit below your nose bridge, making minimal contact with your face while creating a superior seal. * Confirmation via the anthropometric database

Greater independence

Wisp's sleek design eliminates the need for a forehead pad, offering you a better field of vision.

Minimal design, superior seal

The design and headgear clips make it easier to use and clean.

Magnetic clips

Contact your healthcare professional before you use this mask. Some medical devices may be affected by magnetic fields. The magnetic clips in this mask should be kept at least 2 in. (50mm) away from any active medical device with special attention to implanted devices such as pacemakers, defibrillators and cochlear implants. Read in-pack IFU's for more information.

Specifications

Warning: Magnetic interference

Beware with pacemakers: Read IFU's before use.
