

To make the breast pump diaphragm move

Find matching products on the specifications tab

Pushing this handle, a part of your Avent manual breast pump, up and down creates suction. You can control the suction by varying the pressure on the handle.

Ease of using Philips spare parts

• Easy renew your product with original Philips parts

Highlights

Easy renew of product parts

From time to time your product needs a facelift but it was never so easy like with Philips consumer replacement parts to renew your product. This all with guaranteed Philips quality.
