#### **Avoid sore and cracked nipples when breastfeeding**

- Help protect sore nipples during breastfeeding

#### **Helps you to breastfeed longer**

- Easy latch-on for your baby
- Made with odourless, taste-free, ultra-fine silicone
- Shaped to allow skin contact with baby

# Highlights

## **Shaped to allow skin contact with baby**

Your baby can still feel and smell your skin and continue to stimulate your milk supply while suckling, and will return easily to the breast once your nipples have healed.

## **Help protect sore nipples during breastfeeding**

Philips AVENT Nipple Protectors are only designed for use when you have sore or cracked nipples and should be used with health professional advice.
