Sip, no drip

Easy transition from bottle to cup

The new Philips Avent BPA-free sippy cup features a patent-pending valve that guarantees no spills. The soft spout and handles ensure easy drinking for your toddler. It's easy for your child, convenient for you.

Non-spill

- Leak-free! Mums confirm

Ideal first step to a drinking cup

- Angled spout mitigates head tilting
- Soft touch trainer handles for little hands

Convenient for you and your baby

- All parts are dishwasher safe for convenience
- Hygienic cap to keep cup clean on the go

Other benefits

- This cup is made from BPA-free material
- Compatible with Philips Avent bottles and cups

Highlights

Angled spout

The angled spout is designed to help toddlers take their first sips easily without tilting their heads back too much.

Ergonomic trainer handles

Trainer handles help your toddler to hold the cup and drink independently. These handles are shaped for little hands to grab easily and they are also rubberised for a non-slip grip.

BPA-Free

This Philips Avent cup is made from BPA-free material.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible, excluding glass bottles and Grown Up Cups/My First Big Kid Cups. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.

Hygiene cap

Whether at home or on the go, the protective hygiene cap always keeps the spout clean.

Cup is dishwasher safe

All parts are dishwasher safe for convenience
