

PHILIPS

AVENT

Manual breast
pump

Bulk Version

SCF310/11

Designed for Comfort

Unique active massage cushion for optimum comfort

Being stressed or in a hurry can make it more difficult to release milk and can also affect your milk supply. So feeling comfortable and relaxed really helps. Our breast pump has been designed to increase your comfort when you are pumping.

Designed for comfort

- Patented soft 5-petal massage cushion

Clinically proven effective

- Clinically proven results*

Other great features

- Unique system for easy milk storage
- Easy manual operation

Highlights

Clinically proven results*

The gentle-draw vacuum of the Philips Avent breast pump mimics a baby's natural suckling action and gets more milk than a hospital grade double electric pump*

Patented soft massage cushion

The unique active massage cushion is intended to help stimulate natural let-down
