Orthodontic BPA-Free

Pacifier with stylish design, crystal clear look.

Philips Avent orthodontic, collapsible and symmetrical nipples respect the natural development of baby's palate, teeth and gums. All Philips Avent pacifiers are made of silicone and are taste and odor-free. Colors are subject to change.

Benefits and features:

- Orthodontic, symmetrical collapsible nipple
- User-friendly silicone teats
- Snap-on protective cap
- Security ring handle
- Shield ventilation holes

Highlights

Orthodontic, symmetrical collapsible teat

Flat, drop-shaped symmetrical teats respect the natural development of your baby's palate, teeth and gums, even if the pacifier ends up upside-down in the mouth.

User-friendly silicone teats

Silicone is taste and odor-free so it's more likely to be accepted by your baby.

Shield ventilation holes

Ventilation holes in the shield prevent saliva build-up and reduce the risk of skin irritation.

Snap-on protective cap

To keep sterilized nipples hygienic

Security ring handle

For easy removal of the Philips AVENT pacifier at any time
