SCF200/00

Adapter ring for Classic bottle

The adapter ring should always be used with the Philips Avent Classic bottle as part of the Classic two-piece anti-colic system.

Benefits and features:

- 0% BPA Product

Two piece anti-colic system

- Allows air into the bottle instead of your baby's tummy

Highlights

Unique anti-colic valve

The two piece Philips AVENT anti-colic system consists of the AVENT Nipple and adapter ring. As your baby feeds, the unique skirt on the AVENT Nipple flexes to allow air

into the baby bottle instead of your baby's tummy. Like breastfeeding, your baby controls the milk flow.
