## AVENT

### Baby bottle

Standard

4oz

Slow Flow Nipple

SCF970/17

## Soft, ribbed teat for easy latch on

The Philips Avent Standard/Essential bottle helps to make bottle feeding easier for your baby and you. The soft ribbed design of the nipple makes it easy for baby's mouth to seal on it.

#### Soft ribbed nipple

- Easy and comfortable feeding

#### Anti-colic system

- Air goes into the bottle, instead of baby's tummy

#### Leak prevention

- Secure and leak-free storage and travel

#### Other benefits

- This bottle is made from PP - a BPA Free material

#### Easy grip

- Ergonomic shape

# Highlights

## 0% BPA (Bisphenol A Free)

This bottle is made from PP - a BPA Free material

## Easy feeding

The soft ribbed design of the nipple makes it easy for baby's mouth to seal on the teat, allowing easy and comfortable feeding.

## Anti-colic system

The anti-colic valve flexes to allow air into the bottle, helping to prevent gas from going into baby's tummy.

## Secure and leak-free storage

The bottle will not leak while feeding your baby and the dormal cap seals the teat for secure and leak-free storage and travel.

## Ergonomic shape

The ergonomic shape of the bottle makes it easy to hold for both mom and baby.
