Fast, intelligent warming

The new iQ Bottle and Baby Food Warmer makes it easy to warm baby's feed quickly and safely. The iQ technology automatically calculates the warming time. Just select a few starting options and let the iQ Bottle Warmer do the rest!

Benefits and features:

- iQ Technology- Responding intelligently to meet your needs
- Digital display keeps you informed
- Ideal for all types of feed
- Ultra fast, all-purpose
- Heats safely and evenly

Highlights

Digital display keeps you informed

Easy to use digital display keeps you informed throughout the warming cycle.

Ideal for all types of feed

For milk and baby food from the fridge, freezer or at room temperature. Fits all AVENT Bottles, VIA Cups and baby food jars.

Ultra fast, all-purpose

Simply select from a few options and the iQ technology calculates the warming time to heat your baby's feed gently and evenly – every time.

Heats safely and evenly

Feeds are heated evenly without hot spots. Automatic shut-off means no risk of overheating.
