

# PHILIPS

## AVENT

Single electronic  
breast pump

SCF302/01

## Designed for Comfort

Breast pump inspired by nature

The unique Philips Avent BPA Free Manual Breast Pump SCF302/01 assures you enhanced efficiency, being clinically proven to express more milk than a hospital grade double electric pump\*.

### Benefits and features:

- Learns and continues your pumping rhythm

### Stimulate and Express

- Gentle vacuum mimics baby's suckling for steady milk flow
- Soft massage cushions trigger natural let-down, like baby

### Helps you breastfeed longer

- More milk, naturally

### Use three ways

- By mains power, battery power and manual

# Highlights

## Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

## Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.

## Learns and continues your pumping rhythm

Electronic memory learns and at the touch of a button, continues your personal pumping rhythm.

## More milk, naturally

Expression allows breast milk to be available, even when you can't be there

## Mains, battery and manual

In addition to mains power, this single electronic pump can also operate using battery power and as a manual pump, for total flexibility.
