

PHILIPS

DECT baby monitor

SCD487/00

Guaranteed zero interference

With DECT digital technology

Enjoy complete reassurance. With DECT digital technology, you are guaranteed a secure, zero interference connection between you and your baby. Soothing your baby is simple with the glowing, starry night-light on the baby unit.

Complete peace of mind

- Guarantees zero interference from any other device
- Uses lights to indicate if the baby makes noise
- Indicates a continuous connection between the two units
- Provides the ability to allow you to talk back to the baby

Ultimate mobility in and around the house

- Small, mobile parent unit to freely roam around the house
- 300 m range ensures secure reception in and around the house

Soothing words

- Comforts the baby in the dark with soothing stars

Highlights

Small, mobile parent unit

Allows you to freely roam around the house due to the small size, but still hear when your baby needs you.

With a range up to 300 m

With a range up to 300 m you are ensured a secure reception in and around the house.

Talk-back

Provides the ability to allow you to talk back to the baby.

Starry night-light

Nightlight with soothing stars to comfort your baby.
