Bottle feeding made easy

Clean & sterilize your bottles and nipples, feed your baby, and keep your bottles cold or warm when travelling, thanks to the Philips Avent Bottle Feeding Essentials Set.

Clean & Sterilize

- Microwave steam sterilizer
- Curved brush head and molded tip

Feed

- Bottles clinically proven to reduce colic

Travel

- Neoprene ThermoBag (Black)
- Milk powder dispenser

Highlights

Microwave steam sterilizer

Compact and lightweight (fits most microwaves), Convenient for travel, Large capacity (holds 6 Philips Avent bottles), Ultra fast, easy to use (just add water, load and place in the microwave), Safe easy handling (side grips close the lid securely)

Bottles clinically proven

Unique anti-colic system consists of the Philips Avent nipple and adaptor ring allowing air to flow into the bottle instead of your baby's tummy for better digestion.*

Neoprene ThermaBag (Black)

Holds 2 Philips Avent Bottles, 2 toddler cups or 4 storage cups, and ensures bottles stay warm or cool (Storage of cold expressed breast milk/formula or pre-boiled hot water for up to 4 hours.)

Milk powder dispenser

This handy little unit carries 3 pre-measured portions of milk powder in separate compartments. When you're ready to feed, just pour the powder into the bottle of pre-boiled cooled water. Remove inner sections to use as a bowl or container.

Bottle and nipple brush

Specially curved brush head and molded handle-tip reach the corners of all types of bottles, nipples and feeding equipment for thorough cleaning.
