More comfort from every cuddle

Includes ultra soft soother

The Philips Avent ultra soft snuggle is a plush animal with an ultra soft soother. The snuggle is lightly weighted to keep it close to babies so they feel secure. It's easy to find and detaches from the soother for effortless cleaning.

Designed with baby's comfort in mind

- Helps you and your baby find the soother
- Babies will enjoy extra comfort with every cuddle
- Plush animal is compatible with all Philips Avent soothers

Soft, cute, and friendly

- Pick your favorite or collect all four adorable characters

Easy to clean

- Detaches for easy cleaning
- The soother can be cleaned and sterilized separately

Includes ultra soft soother

- Cuddly soft snuggle included with ultra soft soother
- Soft flexible shield for more comfort and fewer skin marks
- 98% of babies accept the textured silicone teats*

Highlights

Easy to find

No more hunting and searching for soothers! The plush animal makes the soother easy to find.

Comfort in every hug

Babies will enjoy extra comfort when they cuddle with their plush animals. Made of soft fabric, their lightly-weighted paws help keep soothers in place.

Fits Philips Avent soothers

The plush animal is compatible with all Philips Avent soothers. So you can mix and match and create the product that is right for baby.

A little buddy for baby

Babies will love to snuggle with any of our four adorable characters: giraffe, monkey, elephant or seal. Our plush snuggle animals are a soothing and friendly companion for baby. And when baby relaxes, so can you.

Detaches for easy cleaning

Plush animal easily detaches from ultra soft soother and both are easy to clean. And you'll feel confident knowing baby can always enjoy a clean soothing experience.

Easily cleaned and sterilized

The plush animals are machine washable and soothers can be cleaned in your dishwasher, a sterilizer or boiling water. Feel good knowing it is always clean and safe for your little one.

Includes ultra soft soother

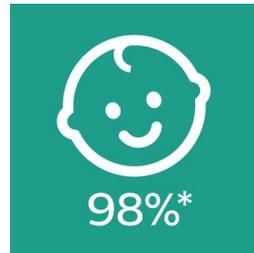

Cuddly soft snuggle included with our ultra soft soother. Made of flexible silicone, it's soft on baby's delicate skin and designed to prevent skin marks.

Soft, flexible shield

To help protect delicate skin, our ultra soft flexible shield follows the shape of babies cheeks. It leaves fewer marks and less irritation so that babies can enjoy a more comfortable soothing experience.*

98% teat acceptance

Babies know what they like! We asked moms how their little ones respond to our textured silicone teat and 98% said that their babies accept the Philips Avent ultra soft soothers.
