Easy to combine with breastfeeding

Natural latch on

Our Natural glass bottle helps to make bottle feeding more natural for baby and you. The teat features a comfort petal design for natural latch-on similar to the breast, making it easy for baby to combine breast and bottle feeding.

Pure and safe

- Heat resistance
- Pharmaceutical-grade glass

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast-shaped teat

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible teat without collapse
- Compatible with Philips Avent range

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

Other benefits

- Simple to use and clean, quick and easy assembly
- This bottle is BPA free*

Highlights

Heat resistance

The Natural glass bottle is heat- and thermal shock-resistant. It can therefore be safely stored in the fridge and warmed, and is also suitable for sterilisation.

Pharmaceutical-grade glass

Fully recyclable, premium-quality borosilicate glass to ensure the highest quality for ultimate purity.

Natural latch on

The wide, breast-shaped teat promotes natural latch-on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Unique comfort petals

Petals inside the teat increase softness and flexibility without teat collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Growing with your baby

The Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We advise using the Natural bottles with Natural feeding teats only.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

This bottle is BPA free*

The Philips Avent Natural bottle is made of BPA free* material (glass, polypropylene and silicone).

Specifications
