# Highlights

# 0% BPA (Bisphenol A Free)

This bottle is made from PP - a BPA Free material

#### **Easy feeding**

The soft ribbed design of the nipple makes it easy for baby's mouth to seal on the teat, allowing easy and comfortable feeding.

#### **Anti-colic system**

The anti-colic valve flexes to allow air into the bottle, helping to prevent gas from going into baby's tummy.

### Secure and leak-free storage

The bottle will not leak while feeding your baby and the dormal cap seals the teat for secure and leak-free storage and travel.
