Comfort with confidence

Extra soft and absorbent

Philips AVENT Washable Breast Pads SCF155/06 have a brushed cotton lining that is soft and gentle and features an absorbent layer that draws moisture away from the skin behind a leak-proof liner.

Feel confident and relaxed

- Anti-slip with adhesive tapes
- Developed with a breastfeeding expert
- Hygienic
- Reusable with soft brushed cotton lining
- Soft with discreet, contoured shape

No leakage of breast milk

- Extra soft and absorbent

Highlights

Extra soft and absorbent

Absorbent padding draws moisture away from the skin and traps it behind a leak-proof liner.

Reusable with soft brushed cotton lining

Brushed cotton lining – soft and gentle against the skin. Machine washable and dryable.
