Newborn Glass
Starter Set

Natural

SCD291

The natural way to start bottle feeding

Bottle, nipple, brush, dispenser and pacifier set

Including 5 Natural Glass bottles (3x 4oz & 2x 8oz), a bottle & nipple brush, a formula milk dispenser & 2 white translucent pacifier 0-6 months. The new bottle makes bottle feeding more natural, for easy combining breast & bottle feeding.

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible nipple without collapse

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast shaped nipple

Other benefits

- Compatible with the Philips Avent Natural range
- Bottle brush with curved brush head for easy cleaning
- Simple to use and clean, quick and easy assembly
- Orthodontic pacifier

Pure and safe

- Heat resistance
- Pharmaceutical grade glass

Highlights

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Compatibility across the range

The new Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We advise to use the Natural bottles with Natural feeding nipples only.

Curved brush head

Specially curved brush head and molded handle-tip reach the corners of all wide neck bottles, nipples and feeding products for thorough cleaning.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

Orthodontic pacifier

The orthodontic, collapsible nipple of the translucent pacifier respects the natural development of baby's palate, teeth and gums. All our pacifiers are made from silicone and are taste and odour-free.

Heat resistance

The Natural glass bottle is heat and thermal shock resistant. It can therefore be safely stored in the fridge, warmed, and is also suitable for sterilization.

Pharmaceutical grade glass

Premium quality borosilicate glass to ensure the highest quality for ultimate purity.

Specifications
