Highlights

Snap-on brush head

Easy brush head placement and handle cleaning

Hydroguides
HydroGuides works with our patented sonic technology to direct toothpaste and water between teeth to help you clean those tight spaces. While it doesn't replace flossing, it can help give you a better clean between teeth.

Maximize cleaning performance

Thoughtful design and precision engineering ensure that when this Philips Sonicare replacement brushes are combined with the sonic motion and flexible brushing modes, you get a thorough clean.

Reminder bristles
Reminder bristles let's you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush heads every 3 months.
