# Highlights

## Age-appropriate brush heads

This Philips Sonicare electric toothbrush has 2 brush head sizes that are specifically designed to gently clean and protect teeth at key developmental stages

## Anti-roll shape

Sturdy handle design allows kids to store upright as well as apply toothpaste while the toothbrush is laying flat.

## Multi grip design

Ergonomically designed to enable parents and kids to brush together or own their own

## Patented sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

## Interchangeable panels

Allows kids to customize their toothbrush

## KidPacer

Fun sounds encourage kids to brush the front and back of both upper and lower teeth

## KidTimer

Increases brushing time slowly over 90 days, building towards the dentist recommended 2 minutes

## Power modes

2 Kid-friendly power modes adapts to different ages providing a gentle cleaning that's ideal for different ages. There is a low mode for ages 4 and up and high mode for ages 7 and older

## Rubberized brush head

Rubberized brush head is designed to protect young teeth
