Highlights

A formula designed for you

We've taken our same superior formulas and redesigned them to fit the needs of every patient. Whether you want a gentle treatment or maximum shades fast, we've got a custom-fit solution for you. With a customizable option for every smile and superior formulas developed to minimize sensitivity and improve whitening luster, it's no wonder Philips Zoom is the No.1 patient-requested professional whitening brand in the U.S.

Experiencing sensitivity?

For ongoing take-home sensitivity treatment, replace your existing toothpaste with a toothpaste containing 5% potassium nitrate and use twice daily. If additional sensitivity relief is needed, use Relief ACP before each whitening treatment.
