Better plaque removal

Sonicare's unique dynamic cleaning action gently and effectively reaches deep between teeth and along the gumline.

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Provides a superior clean

- Dynamic cleaning action drives fluid between teeth
- Angled brush head neck for better reach to back teeth

Proven to improve oral health

- Clinically proven safe and gentle

Offers you a customized cleaning experience

- Easy-start program to acclimate to the Sonicare experience

Highlights

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Smartimer

2-minute timer helps ensure dental professional recommended brushing time

Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth
