Proven to improve oral health

- Clinically proven safe and gentle

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Offers you a customized cleaning experience

- Easy-start program to acclimate to the Sonicare experience

Highlights

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle

Your Sonicare is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Smartimer

Two-minute timer automatically tracks brushing time and turns the toothbrush off after two full minutes of brushing is complete.

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

Easy-start program

Gently increases power over first 14 uses to ease into the Sonicare experience

Specifications

Technical specifications

Battery: Rechargeable

Design and finishing

Color: White

Items included

Charger: 1 charger

Ease of use
