Compact sonic  
toothbrush heads

For Kids

2-pack

HX6032

## Kid-friendly Clean

For ages 4-6 years

Compact brush heads are specifically designed for children ages 4-6 years. Brush heads thoroughly and gently clean young teeth.

### Thorough clean feeling in your mouth

- Brush head design maximizes sonic motion

### Designed to fit kids' mouths

- Rubber overmold for a safer, gentler brushing
- Soft bristles for a gentle brushing
- Kids-sized brush heads fit your child's mouth

## Highlights

### Maximize cleaning performance

Thoughtful design and precision engineering ensure that when this brush head is combined with the sonic motion and flexible brushing modes, you get a thorough clean.

### Rubber overmold

Rubberized brush head is designed to protect young teeth

### Soft bristles

Soft bristles for a gentle brushing to protect young mouths

### Kids-size brush heads

Two brush head sizes complement the two power levels for ages 4–6 and 7+
