# Highlights

## Reminder bristles

Reminder bristles let's you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush heads every 3 months.

## Screw-on brush head

Screw-on brush head that will fit our original Sonicare handles

## Unique angled neck

The slim angled neck enables you to easily maneuver the toothbrush head, particularly in hard-to-reach areas to remove plaque.

## Gently removes plaque

Gently removes plaque for an absolute clean and smooth feel.

## Innovative new brush head

Innovative new brush head profile delivers gentle experience while brushing sensitive teeth and gums.

## Ultra soft bristles

Ultra soft bristles at the core of the bristle field are 25% softer than our standard ProResults brush head. For a more effective, gentle cleaning.

# Specifications

## Technical specifications

**Operating time:** For optimal results, a new brush head is recommended every three months.
