Ultimate cleaning, superior results*

Superior plaque removal plus powerful whitening

Only DiamondClean provides the performance your patients need and the features they want. Philips Sonicare DiamondClean removes up to 7x more plaque than a manual brush and eliminates surface stains to whiten smiles in just one week.

Provides a superior clean

- DiamondClean toothbrush head for Sonicare's best whitening
- Sonic technology

Guides you to follow dental recommendations

- 5 modes: Clean, Whitening, Polish, Sensitive, Gum Care

Designed around you

- Dual charging system
- Illuminated display
- Three-week battery life

Highlights

DiamondClean brush head

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond shaped, medium stiffness bristles to effectively yet gently scrape away plaque. This Philips Sonicare electric toothbrush provides an exceptional cleaning and whiter teeth compared to a manual toothbrush.

Five brushing modes

Includes the stain-removing White mode, clinically proven to whiten teeth in as little as one week.

Charging system

Innovative glass charger and station for home use, plus portable charging case with laptop-ready USB and wall plug for travel.

Illuminated display

When on, unique backlight indicates selected mode. When off, display becomes invisible for a clean look.

Rechargeable battery

When fully charged, DiamondClean has enough battery life for three weeks of regular use.

Sonic technology

Drives fluid between the teeth and along the gumline for a powerful-yet-gentle clean.
