## Custom Care system

4 ways of customized cleaning in one product

No two people are the same - especially when it comes to oral care. So why not use a power toothbrush that can adapt to your different needs and still deliver superior results.

### 2 brush head sizes and 2 cleaning speeds

- Thorough everyday clean, massages and stimulates gums
- Standard for a complete clean, compact for precision clean

### Superior cleaning technology

- Clinically proven safe and gentle
- Dynamic fluid action reaches deep between teeth
- Removes plaque in hard to reach areas
- Healthier gums

### Customizable cleaning

- Easy-start to acclimate to the Sonicare experience
- Quadpacer 30-second interval timer encourages even brushing

# Highlights

## Healthier gums

Clinically proven to reduce gingivitis and help shrink periodontal pockets.

## Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.
