## Better reach for a better clean

The patented sonic technology of the Sonicare Elite combined with its unique brush head design, creates dynamic cleaning action that removes plaque and naturally whitens teeth.

### **2 brush head sizes and 2 cleaning speeds**

- Thorough everyday clean, massages and stimulates gums
- Standard for a complete clean, compact for precision clean

### **Superior cleaning technology**

- Clinically proven safe and gentle
- Dynamic fluid action reaches deep between teeth
- Removes plaque in hard to reach areas
- Healthier gums

### **Customizable cleaning**

- Easy-start to acclimate to the Sonicare experience
- Quadpacer 30-second interval timer encourages even brushing

# Highlights

## Healthier gums

Clinically proven to reduce gingivitis and help shrink periodontal pockets.

## Safe and gentle

Your Sonicare is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.
