## Connect children to a lifetime of healthy habits The fun way to inspire better brushers

The new Philips Sonicare For Kids power toothbrush with Bluetooth® wireless technology and interactive coaching app work together to help motivate children to brush independently.

### Provides a superior clean

- Training and tracking
- Bluetooth® connectivity

### Designed around you

- Personal brushing coach
- Two brush head sizes
- Two kid-friendly power modes
- Eight faceplate stickers
- KidPacer
- KidTimer
- Ergonomic, easy-grip handle
- Rubber overmold
- Patented Sonicare toothbrush technology

# Highlights

## Training and tracking

Children receive rewards and badges to keep them motivated, including gifts to keep their “Sparkly” training partner happy and healthy. A separate dashboard in the app allows parents to monitor their child’s performance and progress as well as set up custom milestones and incentives. In a survey, 98% of parents said it’s easier to get their child to brush longer and better\*.

## Personal brushing coach

Children navigate the app with the help of their training partner “Sparkly,” whose mouth acts as a visual brushing guide, teaching children to thoroughly brush each quadrant of the mouth.

## Bluetooth® connectivity

Connects via Bluetooth® wireless technology to a mobile device so kids can interact with the coaching app while they brush. The handle tells the app how long the child is brushing.

## Sonic technology

Drives fluid between the teeth and along the gumline for a powerful yet gentle clean.

## KidTimer

Gradually increases brushing time over 90 days until reaching the dentist-recommended two minutes to train kids to brush longer.\*\*

## Two brush head sizes

Provide the perfect option for every mouth. Standard and compact sizes are comfortable fit for kids ages 4 and older.

## Two kid-friendly power modes

Give them just the right amount of power — low mode for younger children and high mode for older kids.

## Eight faceplate stickers

Interchangeable stickers allow children to make the toothbrush uniquely their own.

## KidPacer

KidPacer encourage kids to brush their entire mouth effectively for the dentist-recommended 2 minutes.

## Ergonomic, easy-grip handle

Easy for small hands to maneuver independently and comfortably.

## Rubber overmold

Provides added protection for growing teeth and a safer, gentler brushing experience.

# Specifications

## Modes

**Power modes:** 2

## Items included

**Handles:** 1 Sonicare for Kids Bluetooth-enabled handle

**Brush heads:** 1 Sonicare for Kids standard, 1 Sonicare for Kids compact

**Charger:** 1
