Get the most from each brushing

A healthy smile for life

Brushing techniques take time to develop. That's why most traditional toothbrushes don't make the cut. But Philips Sonicare For Kids removes up to 75% more plaque in hard-to-reach places than a manual brush.*

Designed around you

- Two kid-friendly power modes
- Two brush head sizes
- Eight faceplate stickers
- Rubber overmold
- Ergonomic, easy-grip handle

Guides you to follow dental recommendations

- KidTimer

Provides a superior clean

- Sonic technology

Highlights

KidTimer

Gradually increases brushing time over 90 days until reaching the dentist-recommended two minutes to train kids to brush longer.

Brush heads

Provide the perfect option for every mouth. Standard and Compact sizes are comfortable fit for kids ages 4 and older.

Power modes

Give them just the right amount of power — low mode for younger children and high mode for older kids.

Faceplate stickers

Make it fun and customizable. Kids can make each brush uniquely their own.

Rubber overmold

Provides added protection for growing teeth and a safer, gentler brushing experience.

Ergonomic handle

For small hands to maneuver more independently and comfortably.

Sonic technology

Drives fluid between the teeth and along the gumline for a powerful-yet-gentle clean.
