Ultimate cleaning, superior results

Superior plaque removal plus powerful whitening

Only Philips Sonicare DiamondClean provides the performance your patients need and the features they want. DiamondClean removes up to 7x more plaque than a manual brush and eliminates surface stains to whiten smiles in just one week.

Provides a superior clean

- DiamondClean toothbrush head for Sonicare's best whitening
- Patented Sonicare toothbrush technology

Guides you to follow dental recommendations

- 5 modes: Clean, Whitening, Polish, Sensitive, Gum Care

Designed around you

- Dual charging system
- Illuminated display
- Three-week battery life

Highlights

DiamondClean brush head

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond shaped bristles to effectively yet gently remove surface stains and scrape away plaque. Removes stain build up from coffee, tea, red wine, cigarettes and tobacco in just 1 week.

Five brushing modes

Includes the stain-removing White mode, clinically proven to whiten teeth in as little as one week.

Sonic technology

Drives fluid between the teeth and along the gumline for a powerful yet gentle clean.

Charging system

Innovative glass charger and station for home use, plus portable charging case with laptop-ready USB and wall plug for travel.

Illuminated display

When on, unique backlight indicates selected mode. When off, display becomes invisible for a clean look.

Rechargeable battery

When fully charged, DiamondClean has enough battery life for three weeks of regular use.
