Complete Gum Care

Combining patented sonic technology and 5 brushing modes, FlexCare+ is your solution for complete gum care. Now you can improve your gum health after just 2 weeks of use.

Proven to improve oral health

- Naturally whiter teeth with patented sonic technology
- Clinically proven safe and gentle
- Improves gum health in just two weeks

Provides a superior clean

- Dynamic cleaning action drives fluid between teeth
- Angled brush head neck for better reach to back teeth

Designed around you

- UV brush head Sanitizer - Cleaner brush, better oral health

Helps you follow dental recommendations

- Quadpacer 30-second interval timer encourages even brushing
- Smartimer encourages 2-minute brushing time

Highlights

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Naturally whiter teeth

Dynamic Cleaning Action and direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

Safe and gentle

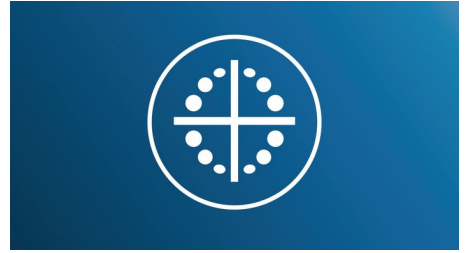

Your Sonicare is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Improves gum health

Optimal cleaning between teeth and along the gumline provides improved gum health in just two weeks. Giving a superior cleaning in between teeth and removes significantly more plaque to a manual toothbrush

Quadpacer

Quadpacer 30-second interval timer encourages even brushing

Smartimer

2-minute timer helps ensure dental professional recommended brushing time

UV brush head Sanitizer

All-in-one sanitizing, charging and storage. The UV brush head Sanitizer helps keep your brush head free of bacteria. It kills up to 99% of bacteria and viruses.*
