- Exclusive bonus items only available to dental professionals

Guides you to follow dental recommendations

- 5 modes: Clean, White, Sensitive, Gum Care, Deep Clean

Designed around you

- Illuminated display
- Three-week battery life
- Dual charging system

Highlights

Bonus items not sold at retail

Now you can offer these exclusive Philips Sonicare DiamondClean bonus items your patients won't find anywhere else, for superior cleaning and whitening results. Designed around patient needs for dental offices like yours, the package includes: 1 DiamondClean standard brush head, 1 trial size (0.5 oz.) BreathRx whitening toothpaste and 1 Philips Zoom whitening pen.

DiamondClean brush head

DiamondClean toothbrush head, Philips Sonicare's best whitening brush head, has diamond shaped, medium stiffness bristles to effectively yet gently scrape away plaque. This Philips Sonicare electric toothbrush provides an exceptional cleaning and whiter teeth compared to a manual toothbrush.

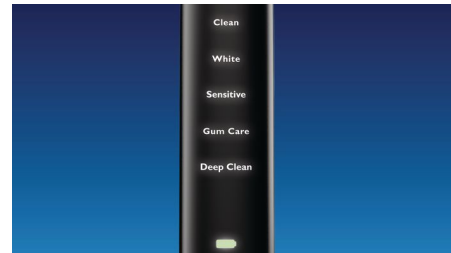

AdaptiveClean brush head

Soft, flexible sides made of rubber allow the bristles to conform to the unique shape of patients' teeth and gums to provide up to 4x more surface contact*. The brush head's flexibility helps the bristles gently track along

the gumline and absorb excessive brushing pressure. Enhanced sweeping motion delivers a unique in-mouth feel and superior cleaning along the gumline and in hard-to-reach areas*. Proven to remove 10x more plaque than a manual toothbrush in hard-to-reach areas*.

Five brushing modes

Includes the stain-removing White mode, clinically proven to whiten teeth in as little as one week.

Deep Clean mode

Our all-new Deep Clean mode delivers an exceptional clean in hard-to-reach places. The unique motion of the brush head in this mode plus an extended three-minute brushing time makes it the ideal choice when you want to pay extra attention to trouble spots.

Charging system

Innovative glass charger and station for home use, plus portable charging case with laptop-ready USB and wall plug for travel.

Illuminated display

When on, unique backlight indicates selected mode. When off, display becomes invisible for a clean look.

Rechargeable battery

When fully charged, DiamondClean has enough battery life for three weeks of regular use.

Sonic technology

Drives fluid between the teeth and along the gumline for a powerful yet gentle clean.
