- Naturally whiter teeth with patented sonic technology
- Clinically proven safe and gentle
- Improves gum health in just two weeks

### **Offers you a customized cleaning experience**

- Easy-start program to acclimate to the Sonicare experience

# Highlights

## Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

## Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

## Naturally whiter teeth

Dynamic Cleaning Action and direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

## Safe and gentle

Your Sonicare is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

## Improves gum health

Optimal cleaning between teeth and along the gumline provides improved gum health in just two weeks. Giving a superior cleaning in between teeth and removes significantly more plaque to a manual toothbrush

## Smartimer

Two-minute timer automatically tracks brushing time and turns the toothbrush off after two full minutes of brushing is complete.

## Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

## Easy-start program

Gently increases power over first 14 uses to ease into the Sonicare experience
