Highlights

Patented dynamic cleaning action

Gently and efficiently reaches between teeth and along the gumline.

Contour Fit Bristles

Achieve better contact with the tooth surface.

Slim, Angled Brush Neck

Helps clean hard to reach areas.

Naturally Whiter Teeth

Clinically proven to significantly reduce coffee, tea and tobacco stains for naturally whiter teeth.

Safe and Gentle

Your Sonicare is safe to use on: Braces (brush heads wear out sooner when used on braces), Dental restorations (fillings, crowns, veneers) and Periodontal pockets.

Improves Gum Health

Clinically proven to reduce gingivitis and help shrink periodontal pockets.
