Classic Clean

Screw-on electric toothbrush head

The Philips Sonicare HX7002/60 e-Series brush heads are visibly angled for better reach within the mouth, providing a thorough every day clean, while massaging and stimulating gums.

Designed to optimize performance

- Reminder bristles ensure you are getting an effective clean

A brush head that fits multiple handles

- Screw-on brush head for our original Sonicare handles

Easy to maneuver to focus on hard-to-reach areas

- Unique angled neck helps you reach back teeth

Highlights

Screw-on brush head

Screw-on brush head that will fit our original Sonicare handles

Reminder bristles

Reminder bristles let's you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush heads every 3 months.

Unique angled neck

The slim angled neck enables you to easily maneuver the toothbrush head, particularly in hard-to-reach areas to remove plaque.
