Ease your baby's transition to a drinking cup

This Natural trainer kit eases your baby into their first cup. The comfort grips helps your baby hold the bottle independently while drinking from the familiar nipple. When ready, switch to the silicone spout to complete the transition.

Ideal first step to a drinking cup

- Soft touch trainer handles for little hands
- Advanced anti-colic system with innovative twin valve
- Unique Petals for a soft, flexible nipple without collapse

Convenient for you and your baby

- Compatible with Philips Avent bottles and cups
- All parts are dishwasher safe for convenience

Other benefits

- Compatible with Philips Avent bottles and cups
- This cup is made from BPA free material

Highlights

Ergonomic trainer handles

Trainer handles help your toddler to hold the cup and drink independently. These handles are shaped for little hands to grab easily and they are also rubberized for a non-slip grip.

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Cup is dishwasher safe

All parts are dishwasher safe for convenience

BPA Free

This Philips Avent cup is made from BPA free material.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible excluding the glass bottles and the Grown-up cups/My First Big Kid Cups. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
